The 28 Best Spanish Wines Under \$40

Take the guesswork out of shopping for Spanish wines with our trusty list.

Have trouble navigating your local wine shop's Spanish section? You're not alone.

Infinitely diverse, Spain is considered one of the top-producing wine regions in the world, with more than 50 prolific regions exporting delicious bottlings every vintage.

To help you go home with the right one, Michael Schachner, Contributing Editor for Spain,

tasted countless pours from this month in order to find affordable reds that deliver flavor. Here are some of his top-rated picks, but be sure to visit our [Buying Guide](#) for more selections.

3+ by Michael Schachner

Raspberry, plum and schisty mineral notes make for an easy-to-process bouquet. This feels flush and fruity but not overly exact or distinct. Raspberry, red plum and a mineral note are the key flavors. The wine finishes peppery, dry and focused.
